MEMORANDUM FOR SCHOOL AGE CARE PARENTS

FROM: 354 FSS/FSY

SUBJECT: Movement of School Age Care (SAC) from the Youth Center (YC)

1. As many of you are aware SAC recently went through both a Higher Headquarter Air Force Inspection and an accreditation visit from the Council of Accreditation (COA). During these two visits it was determined that Eielson is out of compliance with the Military Child Care Act, DoDI 6060.20, and AFI 34-144. Currently the YC is not in an accredited facility therefore SAC youth must be moved to an accredited facility.
2. In order to correct this deviation and maintain accreditation all SAC youth must be moved back to building 3303. The move will take effect 20 November 2017. This includes both morning and after school care.
3. We appreciate your understanding of this short notice requirement. Rest assured the transition will be as smooth and un-interrupting as possible. My professional staff stands ready to assist and overcome any challenges.
4. Please know that the level of care for your youth will not change. Everything will be done to ensure services demand at the highest level possible. If you have any comments, questions or concerns. Please contact me at 907-377-1582 or charlotte.lewis@us.af.mil.
